

OTHER PRODUCTS

Securabike designs and manufactures additional products and accessories and provides services specifically for the bicycle industry. This range of 'extras' further illustrates the commitment and support Securabike has developed to promote increased cycle usage throughout the nation.

Custom Manufacture

While this Handbook primarily relates to the standard product range, Securabike is first and foremost a metal engineering and manufacturing company and is well positioned to assist in the design, manufacture and installation of custom designed products.

Note.

These products do not fall under the scope of AS2890.3.

A Diverse Range of Products

- Bicycle rack hire service – for temporary events like fundraising cycle rides
- Removable anchors – for use in casual or temporary rack installations
- Polypropylene protective sleeves – available as an option on many rails and racks.
